MIXED MEDIA ARTIST & FREELANCE GRAPHIC DESIGNER

Objective

To obtain a challenging position as Graphic Designer

I'm a web designer and graphic artist with a professional training and over 12 years of experience in creating and deploying visually engaging, well-structured websites. I'm detail oriented also I have a good sense for eye-catching materials that will go beyond your expectations. I'm an expert in developing collateral materials, completing sites from start to finish, including business/professional sites, multimedia sites, and e-commerce sites.

I'm reliable, easy to work with, responsible and dedicated. My work is highly professional and I get the job done efficiently and inexpensively. I keep the development process straightforward and work to deliver a finished product that accomplishes your specific goals.
